To the shareholders of NovoCure Limited:

NOTICE IS HEREBY GIVEN that the Annual General Meeting of Shareholders (“Annual Meeting”) of NovoCure Limited, a Jersey (Channel Islands) corporation (referred to herein as the “Company”, “Novocure”, “we”, “us” or “our”), will be held on May 10, 2017, at 10:00 a.m. U.S. Eastern Standard Time (EST), at Le Masurier House, LaRue Le Masurier, St. Helier, Jersey, Channel Islands JE2 4YE, for the following purposes:

1. To elect four directors named in the Proxy Statement, who will be designated as Class II directors, to hold office until the 2020 annual general meeting of shareholders or until their successors are duly elected and qualified or until their offices are vacated; and
2. To approve and ratify the appointment, by the audit committee of our Board of Directors, of Kost Forer Gabbay & Kasierer, a member of Ernst & Young Global (“Kost Forer”), as the auditor and independent registered public accounting firm of the Company for the Company’s fiscal year ending December 31, 2017.

The foregoing items of business, both of which will be proposed as ordinary resolutions within the meaning of our Articles of Association, are more fully described in the Proxy Statement. Only shareholders who owned our ordinary shares at the close of business on March 6, 2017 (the “Record Date”) can vote at this meeting or at any adjournments that take place or postponements thereof.

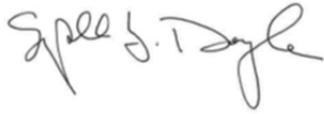

A shareholder entitled to attend and vote at the Annual Meeting is entitled to appoint one or more proxies to attend and vote in the place of such shareholder and such proxy or proxies need not also be a shareholder of the Company. We have elected to use the Internet as our primary means of providing our proxy materials to shareholders. Consequently, shareholders will not receive paper copies of our proxy materials, unless they specifically request them. We will send a notice regarding the Internet availability of proxy materials (the “Notice of Internet Availability”) on or about March 28, 2017 to our shareholders of record as of the close of business on the Record Date. The Notice of Internet Availability contains instructions for accessing the proxy materials on the Internet, including the Proxy Statement and our 2016 Annual Report, and provides information on how shareholders may obtain paper copies free of charge. The Notice of Internet Availability also provides the date, time and location of the Annual Meeting; the matters to be acted upon at the meeting and the recommendation from our Board of Directors with regard to each matter; and information on how to attend the meeting. Electronic delivery of our proxy materials will significantly reduce our printing and mailing costs and the environmental impact of mailing these materials.

It is important that your shares be represented and voted whether or not you plan to attend the Annual Meeting in person. Other than voting in person at the Annual Meeting, you may vote over the Internet, by telephone or by completing and mailing a proxy card or voting instruction card forwarded by your bank, broker or other holder of record. Voting over the Internet, by telephone or by written proxy will ensure your shares are represented at the Annual Meeting. Please review the instructions on the proxy card or voting instruction card forwarded by your bank, broker or other holder of record regarding each of these voting options.

Our Board of Directors recommends that you vote **FOR** the election of the four Class II director nominees named in Proposal 1 of the Proxy Statement and **FOR** the approval and ratification of the appointment of Kost Forer as our auditor

and independent registered public accounting firm for the Company's fiscal year ending December 31, 2017 as described in Proposal 2 of the Proxy Statement.

NOVOCURE LIMITED

PROXY STATEMENT

FOR THE 2017 ANNUAL GENERAL MEETING OF SHAREHOLDERS

The Board of Directors (the “Board”) of NovoCure Limited (referred to herein as the “Company”, “Novocure”, “we”, “us” or “our”) is soliciting your proxy to vote at our 2017 Annual General Meeting of Shareholders to be held on Wednesday, May 10, 2017, at 10:00 a.m. U.S. Eastern Standard Time (“EST”), at Le Masurier House, La Rue Le Masurier, St. Helier, Jersey, Channel Islands JE2 4YE, and any adjournment or postponement of that meeting (the “Annual Meeting”).

We have elected to provide access to our proxy materials on the Internet. Accordingly, we are sending a notice regarding the Internet availability of proxy materials (the “Notice of Internet Availability”) to holders of record of our ordinary shares (“Ordinary Shares”) as of March 6, 2017 (the “Record Date”). All shareholders will have the ability to access the proxy materials on the website referred to in the Notice of Internet Availability, or to request a printed set of the proxy materials. Instructions on how to request a printed copy by mail or e-mail may be found in the Notice of Internet Availability and on the website referred to in the Notice of Internet Availability, including instructions on how to request paper copies on an ongoing basis. On or about March 28, 2017, we are making this Proxy Statement available on the Internet and are mailing the Notice of Internet Availability to all shareholders entitled to vote at the Annual Meeting.

The Company’s 2016 Annual Report, which contains financial statements for the fiscal year ended December 31, 2016 (the “Annual Report”), accompanies this Proxy Statement if you have requested and received a copy of the proxy materials in the mail. Shareholders that receive the Notice of Internet Availability can access this Proxy Statement and the Annual Report at the website referred to in the Notice of Internet Availability. The Annual Report and this Proxy Statement are also available on our investor relations website at www.novocure.com and at the website of the Securities and Exchange Commission (the “SEC”) at www.sec.gov. You also may obtain a copy of the Annual Report, without charge, by writing to our Investor Relations department, NovoCure Limited, at 20 Valley Stream Parkway, Suite 300, Malvern, Pennsylvania 19355.

THE PROXY PROCESS AND SHAREHOLDER VOTING

QUESTIONS AND ANSWERS ABOUT THIS PROXY STATEMENT AND VOTING

Who can vote at the Annual Meeting?

Only shareholders of record at the close of business on March 6, 2017 will be entitled to vote at the Annual Meeting. At the close of business on the Record Date, there were 88,091,068 Ordinary Shares issued and outstanding and entitled to vote. On each matter to be voted upon, you have one vote for each Ordinary Share you own as of the Record Date.

What am I being asked to vote on?

You are being asked to vote on two proposals:

- Proposal 1: To elect the four directors named in this Proxy Statement, who will be designated as Class II directors, to hold office until the 2020 annual general meeting of shareholders or until their successors are duly elected and qualified or until their offices are vacated; and
- Proposal 2: To approve and ratify the appointment, by the audit committee of our Board, of Kost Forer Gabbay & Kasierer, a member of Ernst & Young Global (“Kost Forer”), as our auditor and independent registered public accounting firm for the fiscal year ending December 31, 2017.

In addition, you are entitled to vote on any other matters that are properly brought before the Annual Meeting.

How do I vote?

The procedures for voting, depending on whether you are a shareholder of record or a beneficial owner holding in “street name,” are as follows:

Shareholder of Record—Shares Registered in Your Name

If you are a shareholder of record, you may vote in any of the following manners:

- To vote in person, come to the Annual Meeting and we will give you a ballot when you arrive.
- To vote over the Internet prior to the Annual Meeting, follow the instructions provided on the Notice of Internet Availability or on the proxy card by accessing www.proxyvote.com using the control number contained on the Notice of Internet Availability or proxy card.
- To vote by telephone, call 1-800-690-6903 (toll free). You will need to have the control number printed on your Notice of Internet Availability or proxy card available when you call.
- To vote by mail, complete, sign and date the proxy card and return it promptly to Vote Processing, c/o Broadridge, 51 Mercedes Way, Edgewood, NY 11717. As long as your signed proxy card is received by May 7, 2017, your shares will be voted as you direct.

Whether or not you plan to attend the Annual Meeting, we urge you to vote by mail, Internet or telephone to ensure your vote is counted. The Internet and telephone voting facilities for eligible shareholders of record will close at 11:59 p.m. EST on May 7, 2017. Proxy cards submitted by mail must be received by 11:59 p.m. U.S. Eastern Time on May 7, 2017 to be counted. Even if you have submitted your vote before the Annual Meeting, you may still attend the Annual Meeting and vote in person. In such case, your previously submitted proxy will be disregarded.

Beneficial Owner—Shares Registered in the Name of Broker, Bank or Other Nominee (“Street Name”)

If you are a beneficial owner of shares registered in the name of your broker, bank or other nominee, you will receive a voting instruction card from that organization. Simply complete and mail the voting instruction card to ensure that your vote is counted, or follow such other instructions to submit your vote by the Internet or telephone, if such options are provided by your broker, bank or other nominee. You are also invited to attend the Annual Meeting. However, to vote in person at the Annual Meeting, you must obtain a valid proxy from your broker, bank or other nominee authorizing you to vote at the Annual Meeting. Contact your broker, bank or other nominee to request a proxy form.

How does the Board recommend I vote on the Proposals?

The Board recommends that you vote:

- **FOR** each of the four director nominees named in this Proxy Statement, who will be designated as Class II directors (Proposal 1); and
- **FOR** approval and ratification of the appointment of Kost Forer as our auditor and independent registered public accounting firm for the fiscal year ending December 31, 2017 (Proposal 2).

How many votes are needed to approve each proposal?

With respect to Proposal 1, the election of four Class II directors, each nominee who receives the affirmative vote of the majority of votes cast will be elected. Abstentions and broker non-votes will have no effect on the outcome of this proposal.

With respect to Proposal 2, the approval and ratification of the appointment of Kost Forer as our auditor and independent registered public accounting firm for the fiscal year ending December 31, 2017, the affirmative vote of the majority of votes cast is required for approval. Abstentions and broker non-votes will have no effect on the outcome of this proposal.

Can I change my vote after submitting my proxy vote?

Yes. You can revoke your proxy vote at any time before the final vote at the Annual Meeting. If you are the record holder of your shares, you may revoke your proxy vote in any one of three ways:

- You may submit a new vote on the Internet or by telephone or submit a properly completed proxy card with a later date.
- You may send a written notice that you are revoking your proxy to our General Counsel, NovoCure Limited, at 20 Valley Stream Parkway, Suite 300, Malvern, Pennsylvania 19355, which must be received by May 7, 2017.
- You may attend the Annual Meeting and vote in person. Simply attending the Annual Meeting will not, by itself, revoke your proxy.

If your shares are held by your broker, bank or other nominee, you should follow the instructions provided by such broker, bank or other nominee to revoke an earlier vote.

Who counts the votes?

Broadridge Financial Solutions, Inc. has been engaged as our independent agent to tabulate shareholder votes, or as our “Inspector of Election”.

What are “broker non-votes”?

Broker non-votes occur when a beneficial owner of shares held in “street name” does not give instructions to the broker, bank or other nominee holding the shares as to how to vote on matters deemed “non-routine.” If the beneficial owner does not provide voting instructions, the broker or nominee can still vote the shares with respect to matters that are considered to be “routine,” but not with respect to “non-routine” matters.

The approval and ratification of the appointment of Kost Forer as our auditor and independent registered public accounting firm for the year ending December 31, 2017 (Proposal 2) is considered “routine” under applicable rules. A broker or other nominee may generally vote on routine matters without voting instructions from beneficial owners, and therefore no broker non-votes are expected to exist in connection with Proposal 2. The election of four Class II directors (Proposal 1) is considered “non-routine” under applicable rules. A broker or other nominee cannot vote without instructions on non-routine matters, and therefore there may be broker non-votes on Proposal 1. Accordingly, if you own shares in street name through a broker, bank or other nominee, please be sure to provide voting instructions to your nominee to ensure that your vote is counted on each of the proposals.

What if I return a Proxy Card but do not make specific choices?

If we receive your signed and dated proxy card and the proxy card does not specify how your shares are to be voted, your shares will be voted “FOR” the election of each of the four nominees for Class II directors and “FOR” the approval and ratification of the appointment of Kost Forer as our auditor and independent registered public accounting firm for the year ending December 31, 2017. If any other matter is properly presented at the Annual Meeting, your proxy (one of the individuals named on your proxy card) will vote your shares using his or her best judgment.

Who is paying for this proxy solicitation?

Novocure will pay for the entire cost of soliciting proxies. In addition to the mailed proxy materials, our directors, officers and employees may also solicit proxies in person, by telephone or by other means of communication. Directors, officers and employees will not be paid any additional compensation for soliciting proxies. Brokers, custodians and fiduciaries will be requested to forward proxy soliciting material to the beneficial owners of stock held in their names, and we will reimburse them for their reasonable out-of-pocket expenses incurred in connection with the distribution of proxy materials.

What does it mean if I receive more than one Notice of Internet Availability or more than one set of printed proxy materials?

If you receive more than one Notice of Internet Availability or more than one set of printed proxy materials, your shares are registered in more than one name or are registered in different accounts. In order to vote all of the shares you own, you must follow the instructions for voting on each Notice of Internet Availability or proxy card you receive, as applicable.

How will voting on any business not described in this Proxy Statement be conducted?

We are not aware of any business to be considered at the Annual Meeting other than the items described in this Proxy Statement. If any other matter is properly presented at the Annual Meeting, your proxy will vote your shares using his or her best judgment.

What is the quorum requirement?

A quorum of shareholders is necessary to hold a valid meeting. A quorum will be present if the holders of a majority of Ordinary Shares issued and outstanding and entitled to vote on the business being transacted are present in person or represented by proxy at the Annual Meeting.

If you are a shareholder of record, your shares will be counted towards the quorum only if you submit a valid proxy or vote in person at the Annual Meeting. If you are a beneficial owner of shares held in “street name,” your shares will be counted towards the quorum if your broker or nominee submits a proxy for your shares at the Annual Meeting. Abstentions and broker non-votes will be counted towards the quorum requirement. If there is no quorum, either the chairperson of the Annual Meeting or a majority in voting power of the shareholders entitled to vote at the Annual Meeting, present in person or represented by proxy, may adjourn the Annual Meeting to another time or place.

How can I find out the results of the voting at the Annual Meeting?

Voting results will be announced by the filing of a Current Report on Form 8-K with the U.S. Securities and Exchange Commission (“SEC”) within four business days after the Annual Meeting.

What are the implications of being an “emerging growth company” for purposes of this Proxy Statement?

We are an “emerging growth company” as that term is used in the Jumpstart Our Business Startups Act of 2012 (the “JOBS Act”) and, as such, have elected to comply with certain reduced public company reporting requirements. These reduced reporting requirements include reduced disclosure about our executive compensation arrangements. We are also not required to conduct non-binding advisory votes on executive compensation. We will remain an emerging growth company for up to five years following our initial public offering, which occurred in October 2015 (the “IPO”), or until the earliest of (1) the last day of the first fiscal year in which our annual gross revenue exceeds \$1 billion, (2) the date that we become a “large accelerated filer” as defined in Rule 12b-2 under the Securities Exchange Act of 1934 (as amended, the “Exchange Act”), which would occur if the market value of our Ordinary Shares that is held by non-affiliates exceeds \$700 million as of the last business day of our most recently completed second fiscal quarter, or (3) the date on which we have issued more than \$1 billion in non-convertible debt during the preceding three-year period.

PROPOSAL 1

ELECTION OF FOUR CLASS II DIRECTORS

Our Articles of Association provide that our Board may consist of between two (2) and thirteen (13) directors, as determined by the Board from time to time. Our Board currently has ten (10) members. Our Board is divided into three classes, designated as Class I, Class II and Class III, with members of each class serving staggered terms. The current members of the classes are divided as follows:

- the Class I directors are William Burkoth and Yoram Palti;
- the Class II directors are Louis J. Lavigne, Jr., Kinyip Gabriel Leung, Robert J. Mylod, Jr. and Gert Lennart Perlhagen; and
- the Class III directors are Asaf Danziger, William F. Doyle, Charles G. Phillips III and William A. Vernon.

Our Class II and Class III directors were originally elected to serve on our Board pursuant to an investors rights agreement, which was terminated upon the completion of our IPO on October 2, 2015.

Upon the expiration of the term of a class of directors, directors in that class are eligible to be elected for a three-year term at the annual general meeting of shareholders in the year in which their term expires or until their successor is elected and has been qualified, or until such director's earlier death, resignation or removal as provided for in our Articles of Association. If a vacancy arises on the Board during the term of a director's appointment as a result of death, resignation or removal, then a majority of our directors then in office (acting upon the recommendation of our independent directors or a committee thereof) shall have the power at any time and from time to time to appoint any person to be a director as a replacement to fill the vacancy and such person will serve for the remainder of the term of the director he or she has replaced.

Each person nominated for election has agreed to serve if elected, and management has no reason to believe that any nominee will be unable to serve. In the event that any nominee should be unavailable for election as a result of an unexpected occurrence, such shares will be voted for the election of such substitute nominee as the Board may propose.

Except as described below, our current Class II directors will continue to serve as Class II directors, if elected, following the Annual Meeting:

- Mr. Mylod, a current Class II director, is not standing for re-election at the Annual Meeting and his term will expire on the date of the Annual Meeting. Mr. Mylod has been a valued member of our Board since 2012 and we thank him for his service to the Company.
- Martin J. Madden, a new nominee to serve as a Class II director, was presented to the Board as a candidate by Mr. Doyle and Mr. Vernon.
- Mr. Leung, who currently serves on our Board as a Class II director, will be reclassified as a Class I director with a term of office expiring at the 2019 annual meeting of shareholder immediately following the Annual Meeting in order to ensure that the number of directors in each class is evenly distributed.

The following table sets forth, for our four Class II director nominees and for our continuing directors, information with respect to their independence, length of service on our Board and their ages:

PROPOSAL 2

APPROVAL AND RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The audit committee of our Board has engaged Kost Forer as our independent registered public accounting firm for the year ending December 31, 2017, and is seeking ratification of such appointment by our shareholders at the Annual Meeting. Kost Forer has audited our financial statements since our inception in 2000. Representatives of Kost Forer are expected to be present at the Annual Meeting. They will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

Jersey company law requires the Company to appoint an auditor at each annual general meeting to hold office from the conclusion of that meeting to the conclusion of the next annual general meeting. It is therefore proposed that the shareholders approve and ratify the reappointment of Kost Forer as our independent auditor and registered public accounting firm. If our shareholders fail to approve and ratify the selection, the audit committee will reconsider whether or not to retain Kost Forer. The audit committee will determine the fees to be paid to the auditors for the year ending December 31, 2017.

Principal Accountant Fees and Services

The following table provides information regarding the fees incurred to Kost Forer during the years ended December 31, 2016 and 2015. All fees described below were approved by the audit committee.

- (3) Tax Fees consist of fees for professional services, including tax consulting and compliance and transfer pricing services performed by Kost Forer.

Pre-Approval Policies and Procedures

Before an independent registered public accounting firm is engaged by the Company to render audit or non-audit services, our audit committee must review the terms of the proposed engagement and pre-approve the engagement.

THE BOARD OF DIRECTORS AND THE AUDIT COMMITTEE RECOMMEND A VOTE “FOR” THIS PROPOSAL 2.

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

The following Audit Committee Report does not constitute soliciting material and shall not be deemed filed or incorporated by reference into any other filings by the Company under the Securities Act of 1933, as amended or under the Exchange Act (the "Securities Act"), except to the extent we specifically incorporate this Report by reference.

The audit committee oversees the Company's corporate accounting and financial reporting process on behalf of the Board. Management has the primary responsibility for the consolidated financial statements and the reporting process, including the Company's systems of internal controls. In fulfilling its oversight responsibilities, the audit committee reviewed and discussed with management the audited consolidated financial statements filed in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2016, including a discussion of the quality, not just acceptability, of the accounting principles applied, the reasonableness of significant judgments and the clarity of disclosures in the consolidated financial statements. The audit committee is comprised entirely of independent directors as defined by applicable NASDAQ listing standards.

The audit committee has discussed with Kost Forer, the Company's independent registered public accounting firm, the matters required to be discussed with the audit committee under auditing standards generally accepted in the United States of America, including Auditing Standards 1301, "Communications with Audit Committees". The audit committee has received the written disclosures and the letter from Kost Forer required by applicable requirements of the Public Company Accounting Oversight Board regarding Kost Forer's communications with the audit committee concerning independence and has discussed with Kost Forer its independence. The audit committee also considered whether Kost Forer's provision of any non-audit services to the Company is compatible with maintaining Kost Forer's independence.

Based on the review and discussions described above, among other things, the audit committee recommended to the Board that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2016 for filing with the SEC. The audit committee also approved the selection of the Company's independent registered public accounting firm.

CORPORATE GOVERNANCE

Independence of the Board of Directors

The Board undertook a review of the independence of our directors (including Mr. Madden, a nominee for election as director at the Annual Meeting), and considered whether any director has a material relationship with us that could compromise his ability to exercise independent judgment in carrying out his responsibilities. Based upon information requested from and provided by each director concerning his background, employment and affiliations, including family relationships and all other facts and circumstances the Board deemed relevant in determining their independence, including beneficial ownership of our capital stock, the Board has determined that none of Messrs. Burkoth, Lavigne, Madden, Mylod, Perlhagen, Phillips and Vernon has a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director and that each of these directors is “independent” as that term is defined under the rules of NASDAQ. Mr. Danziger and Mr. Doyle are not considered independent because they are employees of the Company. Mr. Leung is not considered independent because he has been an employee of the Company within the past three years and Professor Palti is not considered independent because of the amount of compensation he received in 2016 as a consultant to the Company.

Board Leadership Structure

We currently have an Executive Chairman, who is not independent, a separate Chief Executive Officer who is also on the Board, as well as a Lead Independent Director. Our Executive Chairman, Mr. Doyle, and Chief Executive Officer, Mr. Danziger, work closely together, in consultation with the Lead Independent Director, Mr. Vernon, to set the strategic direction of the company. The addition of the Lead Independent Director role in May 2016 ensures independent leadership of the Board, while our Chief Executive Officer focuses on leading our company and the Executive Chairman focuses on public company matters and leading the Board in overseeing management. Our leadership structure ensures a seamless flow of communication between management and the Board, in particular with respect to the Board’s oversight of the Company’s strategic direction, as well as the Board’s ability to ensure management’s focused execution of that strategy.

Our Corporate Governance Guidelines provide that if the Chairman of the Board is not an independent director (as determined by the Board or the Nominating and Corporate Governance Committee), our independent directors have the discretion to annually elect an independent director to serve as Lead Independent Director. Although elected annually, the Lead Independent Director is generally expected to serve for more than one year. To facilitate this decision-making, the Nominating and Corporate Governance Committee annually discusses our Board leadership structure, providing its recommendation on the appropriate structure for the following year to our independent directors. Our independent directors do not view any particular Board leadership structure as generally preferred; they make an informed annual determination taking into account our financial and operational strategies and any feedback received from our shareholders.

Our Lead Independent Director balances our Executive Chairman and Chief Executive Officer roles, exercising critical duties in the boardroom to ensure effective and independent Board decision-making. Our Corporate Governance Guidelines clearly delineate these responsibilities, which are as follows:

- Preside over executive sessions of independent directors and meetings of our Board at which the Executive Chairman is not present, including executive sessions of the independent directors;
- Serve as liaison between the Executive Chairman and Chief Executive Officer and our independent directors;
- Review matters such as meeting agendas and schedules and other information sent to our Board to ensure that appropriate items are discussed, with sufficient time for discussion of all items;

- Call meetings of our independent directors when necessary or appropriate; and
- If requested by significant shareholders, consult and directly communicate with our shareholders.

In addition to these responsibilities, the Lead Independent Director regularly consults with each of the Executive Chairman and Chief Executive Officer to help guide management's ongoing engagement with the Board on our strategies and related risks.

Supplementing our Lead Independent Director in providing independent Board leadership are our committee chairs, all of whom are independent. The Nominating and Corporate Governance Committee evaluated the performance of Board, including its interactions with the executive management team, in fourth quarter 2016, and discussed its evaluation in executive session with our independent directors. Based on these evaluations, we believe our current Board leadership structure provides effective independent oversight of our company.

Role of Board in Risk Oversight Process

Risk assessment and oversight are an integral part of our governance and management processes. Our Board encourages management to promote a culture that incorporates risk management into our corporate strategy and day-to-day business operations. Management discusses strategic and operational risks at regular management meetings, and conducts specific strategic planning and review sessions during the year that include a focused discussion and analysis of the risks facing us. Throughout the year, senior management reviews these risks with the Board at regular board meetings as part of management presentations that focus on particular business functions, operations or strategies, and presents the steps taken by management to mitigate or eliminate such risks.

Our Board administers the risk oversight function directly through our Board as a whole, as well as through various standing committees of our Board that address risks inherent in their respective areas of oversight. In particular, our Board is responsible for monitoring and assessing strategic risk exposure. Our audit committee is responsible for overseeing our major financial risk exposures and the steps our management has taken to monitor and control these exposures and our compensation committee assesses and monitors whether any of our compensation policies and programs has the potential to encourage unnecessary risk-taking. In addition, our audit committee oversees the performance of our internal audit function and considers and approves or disapproves any related party transactions and our nominating and governance committee monitors the effectiveness of our corporate governance guidelines.

Board Committees

The Board has three standing committees: Audit, Compensation and Nominating and Corporate Governance. The charters of each committee are available to shareholders in the “Corporate Governance” section of our investor relations website at www.novocure.com.

The following table shows the current membership of these committees:

- appointing our independent registered public accounting firm;
- evaluating the independent registered public accounting firm’s qualifications, independence and performance;
- determining the terms of our engagement of our independent registered public accounting firm;
- reviewing and approving the scope of the annual audit and the audit fee;
- reviewing and discussing the adequacy and effectiveness of our accounting and financial reporting processes and internal controls and the audits of our financial statements;
- reviewing and approving, in advance, all audit and non-audit services to be performed by our independent registered public accounting, taking into consideration whether the independent auditor’s provision of non-audit services to us is compatible with maintaining the independent auditor’s independence;
- monitoring and ensuring the rotation of partners of the independent registered public accounting firm on our engagement team as required by law;

- establishing and overseeing procedures for the receipt, retention and treatment of complaints received by us regarding accounting, internal controls or auditing matters, including procedures for the confidential, anonymous submission by our employees of complaints regarding questionable accounting or auditing matters and reviewing such complaints;
- reviewing and approving related party transactions;
- investigating any matter brought to its attention within the scope of its duties and engaging independent counsel and other advisors as the audit committee deems necessary;

- reviewing, at least annually, the audit committee charter and the committee's performance; and
- handling such other matters that are specifically delegated to the audit committee by our Board from time to time.

All members of our audit committee meet the requirements for financial literacy under the applicable rules of NASDAQ. Mr. Lavigne qualifies and serves as an audit committee financial expert as defined under the applicable rules and regulations of the SEC. Under the rules and regulations of the SEC and NASDAQ, members of the audit committee must also meet independence standards under Rule 10A-3 of the Exchange Act. All members of our audit committee meet the applicable independence standards under NASDAQ rules and Rule 10A-3 of the Exchange Act.

Compensation Committee

Our compensation committee reviews and recommends policies relating to compensation and benefits of our officers, directors, non-employees and employees. The compensation committee is responsible for, among other things:

- discharging our Board's responsibilities relating to compensation of our directors and executive officers;
- overseeing the administration of our overall compensation and employee benefits plans, particularly incentive compensation and equity-based plans;
- periodically reviewing and approving generally our compensation and benefit strategies and policies;
- at least annually, reviewing and approving the corporate goals and objectives relevant to the compensation of our Chief Executive Officer, evaluating the Chief Executive Officer's performance in light of these goals and objectives and setting the Chief Executive Officer's compensation;
- at least annually, reviewing and approving with the input of our Chief Executive Officer, the compensation of our other executive officers and approving employment, consulting, severance, retirement and/or change in control agreements or provisions with respect to any current or former executive officers;
- at least annually, reviewing and approving succession plans for our Chief Executive Officer and other executive officers;
- periodically reviewing and making recommendations to the Board regarding director compensation;
- overseeing the implementation and administration of our equity compensation plans (including reviewing and approving the adoption of new plans or amendments or modifications to existing plans, subject to shareholder approval, as necessary);

- approving or reviewing and making recommendations to the Board with respect to our share-based compensation plans;
- retaining or obtaining the advice of a compensation consultant, independent legal counsel or other adviser (only after taking into consideration certain specified factors identified by the SEC or NASDAQ listing standards), with direct responsibility for the appointment, compensation and oversight of the work of any such compensation consultant, independent legal counsel and other adviser retained by the compensation committee;
- reviewing from time to time the compensation committee charter and the committee's performance; and
- exercising such other authorities and responsibilities as may be delegated to the compensation committee by the Board from time to time.

Each of the members of our compensation committee is a "non-employee" director as defined in Rule 16b-3 promulgated under the Exchange Act, an "outside director" as that term is defined in Section 162(m) of the Internal Revenue Code (the "Code") and an independent director under applicable NASDAQ rules.

In 2016, the compensation committee retained Radford, an Aon Hewitt Company, which is a national executive compensation consulting firm, as our independent compensation consultant. Radford was retained to assist the compensation committee with updating the Company's compensation peer group; conducting market research and analysis on annual and long-term incentive programs, salaries, and equity plans; assisting the committee in developing target grant levels and annual salaries for executives and other employees; advising the committee on public company equity plans and practices; providing the committee with advice and ongoing recommendations regarding material executive compensation decisions; and reviewing compensation proposals of management. The compensation committee determined that the engagement of Radford does not raise any conflicts of interest or similar concerns.

Nominating and Corporate Governance Committee

The nominating and corporate governance committee is responsible for, among other things:

- identifying and screening candidates for our Board and recommending nominees for election as directors, as well as recommending one or more "audit committee financial experts" (as defined under applicable SEC rules) for the audit committee;
- establishing procedures to exercise oversight of the evaluation of our Board and management;
- developing and recommending to our Board a set of corporate governance guidelines, as well as periodically reviewing these guidelines and recommending any changes to our Board;
- reviewing the structure of our Board committees and recommending to our Board for its approval directors to serve as members of each committee, and where appropriate, making recommendations regarding the removal of any member of any committee;
- reviewing and assessing the adequacy of its formal written charter on an annual basis;
- reviewing the content, operations and effectiveness of the Company's compliance program as it relates to the marketing, promotion and sale of products on an annual basis that shall include updates and reports by the Company's Chief Compliance Officer and other compliance personnel on their activities and updates about adoption and implementation of policies, procedures and practices designed to assure compliance with relevant U.S. Federal Food, Drug and Cosmetic Act and other applicable legal requirements;
- reviewing the relationships that each director has with us for purposes of determining independence; and
- generally advising our Board on corporate governance and related matters.

Each of the members of our nominating and corporate governance committee is an independent director under the rules of NASDAQ.

Meetings of the Board of Directors, Board and Committee Member Attendance, and Annual Meeting Attendance

Our Board met seven times during 2016. The audit committee met eleven times, the compensation committee met ten times, and the nominating and corporate governance committee met five times. During 2016, each Board member attended 75% or more of the aggregate of the meetings of the Board and of the committees on which he served that occurred while such director was a member of the Board and such committees.

We encourage all of our directors and nominees for director to attend our annual general meetings of shareholders. All of our directors attended our annual general meeting of shareholders held in May 2016.

Director Nomination Process

The Board seeks members from diverse professional backgrounds who combine a broad spectrum of experience and expertise with a reputation for integrity. In considering diversity of the Board, the nominating and corporate governance committee will take into account various factors and perspectives, including differences of viewpoint, professional experience, education, skill and other individual qualities and attributes that contribute to Board heterogeneity, as well as race, gender and national origin. Directors should have experience in positions with a high degree of responsibility, be leaders in the companies or institutions with which they are affiliated, and be selected based upon contributions they can make.

The nominating and corporate governance committee is responsible for determining the appropriate skills and characteristics required of Board members in the context of its current make-up, and will consider factors such as independence, experience, strength of character, mature judgment and technical skills in its assessment of the needs of the Board and its evaluation of director nominees. The Board evaluates each individual in the context of the Board as a whole, with the objective of assembling a group that can best maximize the success of the business and represent shareholder interests through the exercise of sound judgment using its diversity of experience in these various areas, amongst others. Our directors' performance and qualification criteria are reviewed annually by the nominating and corporate governance committee.

Identification and Evaluation of Nominees for Directors

The nominating and corporate governance committee identifies nominees for director by first evaluating the current members of our Board willing to continue in service. Current members with qualifications and skills that are consistent with the nominating and corporate governance committee's criteria for Board service and who are willing to continue in service are considered for re-nomination, balancing the value of continuity of service by existing members of our Board with that of obtaining a new perspective or expertise.

If any member of our Board does not wish to continue in service or if our Board decides not to re-nominate a member for re-election, the nominating and corporate governance committee may identify the desired skills and experience of a new nominee in light of the criteria above, in which case, the nominating and corporate governance committee would generally poll our Board and members of management for their recommendations. The nominating and corporate governance committee may also review the composition and qualification of the boards of directors of our competitors, and may seek input from industry experts or analysts. The nominating and corporate governance committee reviews the qualifications, experience and background of the candidates. Final candidates are interviewed by the members of the nominating and corporate governance committee and by certain of our other independent directors and executive management as appropriate. In making its determinations, the nominating and corporate governance committee evaluates each individual

in the context of our Board as a whole, with the objective of assembling a group that can best contribute to the success of our Company and represent shareholder interests through the exercise of sound judgment. After review and deliberation of all feedback and data, the nominating and corporate governance committee makes its recommendation to our Board. To date, the nominating and corporate governance committee has not utilized third-party search firms to identify director candidates. The nominating and corporate governance committee may in the future choose to do so in those situations where particular qualifications are required or where existing contacts are not sufficient to identify an appropriate candidate.

Shareholder Recommendations and Nominations

A shareholder or shareholders holding at least one tenth (1/10th) of the total voting rights of the members who have the right to vote at a general meeting of the shareholders of the Company may propose a person for election to the office of director at an annual meeting. Our Board adopted a written related party transaction policy as set forth in our Corporate Governance Guidelines, setting forth the policies and procedures for the review and approval or ratification of transactions involving us and related persons. For the purposes of this policy, related persons will include our executive officers, directors and director nominees or their immediate family members, or shareholders owning 5% or more of our outstanding Ordinary Shares and their immediate affiliates.

The policy covers, with certain exceptions set forth in Item 404 of Regulation S-K under the Securities Act of 1933, any transaction, arrangement or relationship, where the amount involved exceeds \$120,000 per year and a related person had or will have a direct or indirect material interest, including, without limitation, purchases of goods or services by or from the related person or entities in which the related person has a material interest, indebtedness, guarantees of indebtedness and employment by us of a related person.

Our executive officers and directors are discouraged from entering into any transaction that may cause a conflict of interest. If such a transaction shall arise, they must report any potential conflict of interest, including related party transactions, to our General Counsel, who will then review and summarize the proposed transaction for our audit committee. In reviewing and approving any such transactions, our audit committee is tasked to consider all relevant facts and circumstances, including, but not limited to, whether the transaction is on terms comparable to those that could be obtained in an arm’s-length transaction with an unrelated party and the extent of the related person’s interest in the transaction. All related party transactions may only be consummated if our audit committee has approved or ratified such transaction in accordance with the guidelines set forth in the policy.

2016 DIRECTOR COMPENSATION

Current Compensation Structure

Effective as of our IPO, members of our Board who serve as executive officers of, or are consultants to, the Company or who are otherwise not considered independent under the corporate governance rules of the SEC and NASDAQ, do not receive compensation from us for their service on our Board. Accordingly, Messrs. Danziger, Doyle and Leung and Professor Palti do not receive compensation from us for their service on our Board. Only those directors who are considered independent directors under the corporate governance rules of NASDAQ and the SEC will be eligible to receive compensation from us for their service on our Board. Our independent directors receive the following cash retainers, which are paid in quarterly installments following the end of each quarter:

- a base annual retainer of \$45,000;
- an additional annual retainer of \$25,000 to the lead independent director;
- an additional annual retainer of \$25,000 to the chairman of the audit committee;
- an additional annual retainer of \$15,000 to the chairman of the compensation committee;
- an additional annual retainer of \$10,000 to the chairman of the nominating and corporate governance committee;
- an additional annual retainer of \$15,000 to each member of the audit committee;
- an additional annual retainer of \$7,500 to each member of the compensation committee; and
- an additional annual retainer of \$5,000 to each member of the nominating and corporate governance committee.

Our directors are eligible to receive grants under our 2015 Omnibus Incentive Plan (the “2015 Plan”), subject to an annual grant limit of 23,600 Ordinary Shares per director. On May 4, 2016, our Board approved grants of options to purchase 21,500 Ordinary Shares at an exercise price of \$11.39 per share to each of the following directors: William Burkoth, Louis J. Lavigne, Jr., Robert J. Mylod, Jr., Charles G. Phillips III and William A. Vernon. These options fully vest on the first anniversary of the grant date on the basis of continued service through such date.

We also reimburse all of our directors for reasonable and necessary expenses incurred to attend board of director or committee meetings.

Compensation

Certain of our directors received compensation from us in their capacity as an employee of or consultant to us. However, our directors who are also one of our employees, such as Mr. Danziger or Mr. Doyle, or who are one of our consultants, such as Professor Palti, do not now, and are not expected in the future to, receive any compensation for their services as a director. In the case of Mr. Danziger, who is a named executive officer (“NEO”), his compensation for fiscal 2016 and 2015 is reported in the 2016 summary compensation table below. Lavigne, Jr., Robert J. Mylod, Jr., Charles G. Phillips III and William A. Vernon. The amounts represent the aggregate grant date fair value of the May 2016 option awards, computed in accordance with FASB ASC Topic 718. See Note 14 in the notes to our consolidated financial statements included in our 2016 annual report on Form 10-K for a discussion of the assumptions we use to account for stock-based compensation. These amounts reflect our accounting expense for these awards and do not correspond to the actual amounts, if any, that will be recognized by the directors.

For Mr. Leung, the amount consists of base salary paid by us in 2016 pursuant to his employment agreement (as described below); Mr. Leung did not receive an annual bonus or any other compensation in 2016. For Professor Palti, the amount includes \$240,000 in

consulting fees and \$40,982 for automobile payments made by us in 2016 to Palti Consultants Ltd. pursuant to his consulting agreement with us (as described below).

- (4) Mr. Langloss retired from our Board May 4, 2016, the date of our 2016 annual general meeting of shareholders.

Doyle consulting agreement

From June 2014 until May 11, 2016, we were a party to a consulting agreement with Mr. Doyle pursuant to which Mr. Doyle served as our Chairman. The consulting agreement provided for four quarterly installments of \$75,000 each to be paid each quarter for a total consulting fee of \$300,000. On May 11, 2016, one of our subsidiaries entered into an employment agreement with Mr. Doyle as described below in the subsection of this Proxy Statement captioned "Doyle employment agreement" and future payments under the consulting agreement ceased.

Doyle employment agreement

On May 11, 2016, one of our subsidiaries entered into an employment agreement with Mr. Doyle. This employment agreement superseded in its entirety the consulting agreement that was previously entered into between us and Mr. Doyle. Under the employment agreement, Mr. Doyle's employment is "at-will" and may be terminated by either us or Mr. Doyle at any time, subject to our obligation to provide severance in certain instances as discussed below. Pursuant to his employment agreement, Mr. Doyle will receive an annual base salary of \$750,000 per year. In addition, Mr. Doyle is eligible to receive a discretionary annual cash bonus of up to 90% of his annual base salary based on achievement of performance goals set by the Board (or committee thereof) in its sole discretion, and further subject to his continued employment through the payment date.

Mr. Doyle is generally eligible to participate in our 2015 Plan as determined by the Board (or committee thereof). Mr. Doyle did not receive any sign-on or other special equity grant in connection with the execution of the Employment Agreement.

Due to certain obligations as managing member of WFD Ventures LLC, Mr. Doyle has been restricted from receiving equity incentive compensation from us. At such time when Mr. Doyle is not subject to these restrictions (either through termination or waiver), we anticipate that, subject to compensation committee and Board approval, Mr. Doyle will be granted a significant equity award under our 2015 Plan.

Mr. Doyle is eligible to participate in the employee benefits generally provided to similarly-situated executive employees, subject to the satisfaction of any eligibility requirements. The employment agreement provides Mr. Doyle coverage under our company life insurance plan with face value of at least two times the value of his base salary, as well as coverage under our company-paid long-term and supplemental long-term disability plans. In addition, Mr. Doyle's employment agreement entitles him to a monthly automobile allowance of \$1,500 per month.

Upon termination of Mr. Doyle's employment by the Company without "cause" (but for reasons other than death or "disability") or resignation by Mr. Doyle for "good reason" (each a "Qualifying Termination") prior to a "change in control," subject to Mr. Doyle's execution without revocation of a release of claims, he will be eligible to receive continued payment of his base salary in installments over 12 months from the date of termination, and, to the extent he timely elects COBRA continuation coverage and pays the full monthly premiums, a monthly amount equal to the full monthly premium for COBRA continuation coverage for the level of coverage in effect for Mr. Doyle and his eligible dependents as of the date of termination for up to 12 months following the date of termination.

Upon a Qualifying Termination within 12 months following a change in control, and subject to Mr. Doyle's execution without revocation of a release of claims, Mr. Doyle will be eligible to receive an aggregate amount equal to the sum of

two times his base salary plus target annual bonus, paid in installments over 12 months from the date of termination, and to the extent he timely elects COBRA continuation coverage and pays the full monthly premiums, a monthly amount equal to the full monthly premium for COBRA continuation coverage for the level of coverage in effect for Mr. Doyle and his eligible dependents as of the date of termination, for up to 18 months following the date of termination. Additionally, any stock options or other equity awards granted to Mr. Doyle after the effective date of the employment agreement will become fully vested on the date of his termination.

The employment agreement also provides that, in the event that any payments Mr. Doyle may receive in connection with a change in control of our Company are subject to the excise tax under Section 4999 of the Internal Revenue Code of 1986, as amended, such payments will be reduced to the greatest amount payable that would not result in such tax, but only if it is determined such reduction would cause Mr. Doyle to be better off, on a net after-tax basis, than without such reduction and payment of the excise tax under Section 4999 of the Code.

Leung employment agreement

Pursuant to an employment agreement that was in place during 2016, Mr. Leung was entitled to receive an annual base salary of \$162,000 per year and was eligible to receive an annual discretionary incentive payment under our annual bonus plan, if any, in the sole discretion of our Board. On December 23, 2016, we and Mr. Leung entered into an amendment of the employment agreement pursuant to which we mutually agreed that the employment agreement would terminate effective December 31, 2016. Mr. Leung did not receive any additional compensation in connection with the amendment and subsequent expiration of the employment agreement.

Palti consulting arrangement

We are party to a consulting agreement with Palti Consultants Ltd., a private Israeli company, pursuant to which Professor Palti provides research and development services to us relating to Optune, our product approved for the treatment of glioblastoma, and other of our projects. Under the consulting agreement, Palti Consultants Ltd. receives an aggregate of \$20,000 per month for Professor Palti's services. We also pay for the use of a company automobile and reimbursement for actual business expenses arising out of travel, lodging, meals and entertainment in connection with his services to us. In lieu of providing Professor Palti with a company car, we currently satisfy our automobile obligations under the consulting agreement by paying Palti Consultants Ltd. cash sufficient to cover the costs of his automobile on an after-tax basis. The total amount paid to Palti Consultants Ltd. in 2016 with respect to the automobile payments was \$40,982.

Base salary

Our compensation committee conducts an annual review of each executive officer's base salary once per year, with input from our Executive Chairman (other than with respect to himself) and our Chief Executive Officer (other than with respect to himself), and makes adjustments as it determines appropriate in furtherance of our compensation philosophy and company performance objectives and needs, with revisions generally becoming effective in April of that year.

Our NEOs base salaries were not adjusted during 2016. The current annual base salaries of our NEOs are set forth below (expressed in U.S. dollars):

Named executive officer	Base salary (\$)
Asaf Danziger	624,000
Wilhelmus Groenhuysen	600,600
Eilon Kirson	416,000

Cash bonuses

In general, the bonus of each executive officer, including NEOs, is determined by the achievement of corporate goals and personal objectives. Under their respective employment agreements, the NEOs have pre-established target bonus amounts (expressed as a percentage of base salary) payable at the discretion of the Board or compensation committee. The target amount and actual amount of the annual cash bonus for each of our NEOs for fiscal 2016 is described below:

Named executive officer	FY 2016 target bonus (% Base Salary)	Realization (%) corporate achievement/ personal objectives	Actual FY 2016 bonus (\$)
Asaf Danziger	75%	80%/100%	0
Wilhelmus Groenhuysen	50%	80%/100%	0
Eilon Kirson	50%	80%/100%	0

The Board-approved corporate objectives for 2016 included business unit objectives, such as increasing demand for Optune in its approved indications and launches of certain projects; clinical, regulatory and medical affairs objectives, such as opening and enrolling certain trials; finance and health policy objectives, including securing contracts with private payers; and operations, supply chain, engineering and human resources objectives, including ongoing supply chain optimization and continued development of operations in Japan. The corporate objectives were assessed as a whole, with no specific weighting assigned to any particular objective. While the Board and compensation committee determined that the Company achieved 80% of its corporate objectives, upon the recommendation of the executive officers as a

group, the Board and compensation committee determined that it would not pay cash bonuses to the Company's executive officers (including the NEOs) for 2016.

Other employee benefits and compensation

We provide limited executive perquisites to some of our NEOs and limited change-in-control benefits as described further below. We generally provide our NEOs in the United States and Israel with the same benefits generally provided to all other employees in the United States and Israel, respectively.

In the United States, we sponsor a tax-qualified 401(k) defined contribution plan. Our 401(k) plan, which is generally available to all employees, allows participants to defer amounts of their annual compensation before taxes, up to the maximum amount specified by the U.S. Internal Revenue Code of 1986, as amended, or the Code, which was \$18,000 per person for calendar year 2016. We do not currently provide, and never have provided, matching contributions or profit-sharing contributions to the plan, although we may do so in the future.

In Israel, we generally provide our executives, including NEOs, with severance, pension, disability and education benefits in line with both Israeli law as well as customary compensation practices among technology companies. In accordance with certain exceptions under Israeli law, Messrs. Danziger and Kirson are each entitled to contractual severance benefits rather than the amounts specified by statute. Such contractual arrangements are common for employees in Israel in the technology sector. For Messrs. Danziger and Kirson, we have contractually agreed to adhere to the provisions of the General Approval and to contribute on a monthly basis to a Managers Insurance Policy (*bituach menahalim*) on their behalf. In addition, we contribute to an advance study fund/professional education fund (*keren hishtalmut*) for the benefit of Messrs. Danziger and Kirson. For additional details with respect to the Managers Insurance Policy and professional education fund, please see “Executive employment arrangements—Danziger employment agreement” and Executive employment arrangements—Kirson employment agreement” below. Except as described above, we do not currently sponsor or contribute to any qualified or non-qualified defined benefit plan or any non-qualified defined contribution plan, and we do not currently maintain (or have any outstanding obligation with respect to) any traditional non-qualified deferred compensation plan or other deferred compensation plans.

Executive employment arrangements

We have entered into written employment agreements with each of our NEOs, Asaf Danziger, Wilhelmus Groenhuisen and Eilon Kirson, as well as William Doyle (whose agreement is described above under “Director Compensation”). These employment agreements, as generally described below, were intended to acknowledge and set forth the terms and conditions of each executive's employment with us, including each executive's duties and responsibilities, base salary and

bonus eligibility, equity grants, employee benefit entitlements and severance protection. In addition, each of the employment agreements includes certain restrictive covenants, including non-competition, non-solicitation, non-disclosure and/or non-disparagement covenants, which are intended to protect our interests as well as the interests of our shareholders, affiliates, directors, officers and employees.

We do not have any employment or other individual agreements with or in respect of any NEO that provide for an excise tax gross-up payment relating to a change in control. To the contrary, the employment agreements with William Doyle and Wilhelmus Groenhuysen provide that in the event that the executive's receipt of payments or distributions would subject him to the golden parachute excise tax under Section 4999 of the Code, the amount of parachute payments within the meaning of Section 280G of the Code will be reduced to the greatest amount payable that would not result in such tax, but only if it is determined such reduction would cause the executive to be better off, on a net after-tax basis, if such payments were so reduced than without such reduction and payment of the excise tax under Section 4999 of the Code.

Danziger employment agreement

On October 10, 2016, one of our subsidiaries entered into an employment agreement with Asaf Danziger pursuant to which Mr. Danziger serves as our Chief Executive Officer. This agreement supersedes in its entirety the employment agreement that was previously entered into between Mr. Danziger and one of our subsidiaries. Under his employment agreement, Mr. Danziger's employment may be terminated by either us or Mr. Danziger at any time, subject to our obligation to provide severance in certain instances as discussed below. Pursuant to his employment agreement, Mr. Danziger will receive an annual base salary of \$624,000 per year. In addition, Mr. Danziger is eligible to receive a discretionary annual cash bonus of up to 75% of his annual base salary based on achievement of performance goals set by the Board (or a committee thereof) in its sole discretion, and further subject to his continued employment through the payment date. Under his employment agreement, Mr. Danziger will devote substantial business time to the performance of his duties on behalf of the Novocure Group.

Mr. Danziger is generally eligible to participate in Company's 2015 Plan as determined by the Board (or a committee thereof). Mr. Danziger did not receive any special equity grant in connection with the execution of his employment agreement.

Mr. Danziger is eligible to participate in the employee benefits generally provided to similarly-situated executive employees in Israel, subject to the satisfaction of any eligibility requirements. Mr. Danziger shall be entitled to twenty-eight (28) paid vacation days per annum. Unused vacation days may be accumulated (for two subsequent years) or redeemed under certain limitations. Mr. Danziger shall be entitled to recuperation pay (d'mey havra'ah) in accordance with the provisions of the applicable law (8-10 days per year, according to Mr. Danziger's seniority). Mr. Danziger shall be entitled to one month of paid sick days, fully compensated based on his regular base salary, per each year. Unused sick days may be accumulated for use in subsequent years, up to the maximum of 6 months.

We have contractually agreed to provide severance benefits and, pursuant to applicable law, we contribute on a monthly basis to a Managers Insurance Policy (bituach menahalim) on Mr. Danziger's behalf. Such monthly contributions cover pension and disability benefits as well as severance pay in lieu of our statutory obligation to provide such payment under Israel's Severance Pay Law. Pursuant to his employment agreement, Mr. Danziger is the beneficiary of a Managers Insurance Policy pursuant to which we contribute on a monthly basis 8.33% of his monthly gross salary in respect of severance, 6.25% of monthly gross salary in respect of pension benefits and up to 2.5% of monthly gross salary in respect of disability benefits. In addition to these company contributions, Mr. Danziger contributes to his Managers Insurance Policy by way of a deduction from his monthly salary, a monthly amount equal to 5.75% of his monthly gross salary.

We contribute an amount equal to 7.5% of his monthly gross salary to a professional education fund, and we deduct 2.5% of Mr. Danziger's monthly gross salary for an employee contribution to these funds. In addition, his employment agreement entitles Mr. Danziger to an automobile allowance of \$4,000 per month (on an after-tax basis).

Upon termination of Mr. Danziger's employment by us without "cause" (but for reasons other than death or "disability") or resignation by Mr. Danziger for "good reason" (each a "Qualifying Termination") prior to a "change in control," subject to Mr. Danziger's execution without revocation of a release of claims, we will provide Mr. Danziger with a Severance Adjustment, payable in a lump sum, which will be equal to the positive difference, if any, between (a) Mr. Danziger's annual base salary and (b) the contributed policy value (i.e. the amount in the managers insurance policy/pension fund which is attributable to our contributions in respect of severance pay) (the "Contributed Policy Value").

Upon a Qualifying Termination within 12 months following a change in control, and subject to Mr. Danziger's execution without revocation of a release of claims, we will provide Mr. Danziger with a Change in Control Severance Adjustment, payable in a lump sum, which will be equal to the positive difference, if any, between (a) the sum of two-times his annual base salary plus two times target annual bonus, and (b) the Contributed Policy Value. Additionally, any stock options or other equity awards granted to Mr. Danziger after the effective date of Mr. Danziger's employment agreement will become fully vested on the date of such termination.

Pursuant to the his employment agreement, Mr. Danziger is subject to perpetual confidentiality and non-disparagement covenants, as well as non-compete and employee, customer and supplier non-solicit covenants applicable during his employment and for 12 months thereafter.

Upon a Qualifying Termination within 12 months following a change in control, and subject to Mr. Groenhuisen's execution without revocation of a release of claims, Mr. Groenhuisen will be eligible to receive an aggregate amount equal to the sum of two times his base salary plus target annual bonus, paid in a lump sum, and to the extent he timely elects COBRA continuation coverage and pays the full monthly premiums, a monthly amount equal to the full monthly premium for COBRA continuation coverage for the level of coverage in effect for Mr. Groenhuisen and his eligible dependents as of the date of termination until the earlier of (i) 12 months following the date of termination and (ii) the date Mr. Groenhuisen is eligible for coverage under a subsequent employer's health plan. Additionally, any stock options or other equity awards granted to Mr. Groenhuisen after the effective date of his employment agreement will become fully vested on the date of such termination.

Mr. Groenhuisen's employment agreement also provides that, in the event that any payments Mr. Groenhuisen may receive in connection with a change in control of our company are subject to the excise tax under Section 4999 of the Internal Revenue Code of 1986, as amended, such payments will be reduced to the greatest amount payable that would not result in such tax, but only if it is determined such reduction would cause Mr. Groenhuisen to be better off, on a net after-tax basis, than without such reduction and payment of the excise tax under Section 4999 of the Code.

Other compensation practices and policies

Share ownership guidelines

In February 2017, our Board adopted share ownership guidelines intended to better align the interests of our directors and executive officers with the interests of our shareholders and to continue to promote our commitment to sound corporate governance. Under these guidelines, our executive officers are required to achieve ownership of our Ordinary Shares valued at three times their annual base salary (five times in the case of our CEO and our Executive Chairman) within five years of becoming an executive officer or, in the case of officers serving at the time the guidelines were initially adopted, within five years of the date of adoption of the guidelines. Our non-employee directors are required to achieve ownership of our Ordinary Shares valued at three times the amount of the annual cash retainer payable to directors within five years of joining the Board or, in the case of directors serving at the time the guidelines were initially adopted, within five years of

the date of adoption of the guidelines. The ownership levels of our executive officers and directors as of March 9, 2017 are set forth in the section entitled “Security Ownership of Certain Beneficial Owners and Management” below.

Risk considerations in our compensation program

We believe that the mix and design of the elements of our employee compensation policies and practices do not motivate imprudent risk-taking. Consequently, we are satisfied that any potential risks arising from our employee compensation policies and practices are not reasonably likely to have a material adverse effect on us.

ADDITIONAL INFORMATION

Householding of Proxy Materials

The SEC has adopted rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for proxy statements and annual reports with respect to two or more shareholders sharing the same address by delivering a single proxy statement and annual report addressed to those shareholders. This process, which is commonly referred to as “householding,” potentially means extra convenience for shareholders and cost savings for companies.

Once you have received notice from the Company or your broker that it will be “householding” communications to your address, “householding” will continue until you are notified otherwise or until you notify the Company or your broker that you no longer wish to participate in “householding.”

If, at any time, you no longer wish to participate in “householding” and would prefer to receive a separate proxy statement and annual report, you may notify your broker or direct your written request to: Investor Relations, NovoCure Limited, at 20 Valley Stream Parkway, Suite 300, Malvern, Pennsylvania 19355. Shareholders who currently receive multiple copies of the proxy statement and annual report at their address and would like to request “householding” of their communications should contact their broker. In addition, the Company will promptly deliver, upon written or oral request to the address or telephone number above, a separate copy of the proxy statement and annual report to a shareholder at a shared address to which a single copy of the documents was delivered.

Presentation of Accounts

Under Jersey law, the directors are required to present the accounts of the company and the reports of the directors and auditors before shareholders at a general meeting. Therefore, our accounts for the fiscal year ended December 31, 2016 will be presented to the shareholders at the Annual Meeting.

To be considered for inclusion in our proxy materials for the 2018 annual general meeting of shareholders pursuant to the SEC’s Rule 14a-8, shareholder proposals must be submitted in writing by November 28, 2017 to NovoCure’s company secretary at First Floor, Le Masurier House, La Rue Le Masurier, St. Helier, JE2 4YE Jersey, Channel Islands.
